

Qld Hang Gliding Association Inc
2018 Annual Report

The Audited financial statements for the Qld HGA Inc (QHGA) were received 27th Oct 2018. These will be presented to the membership along with the annual report at the Annual General Meeting to be held 18th December 2018.

The new administration for the QHGA has had a number of historical governance matters to address and rectify. These include lost copies of the original Constitution – both the Qld Office of Fair Trading (OOFT) and the QHGA have either lost or had copies of original documents corrupted. Additionally there is some confusion over which version of the Model Rules the current incarnation of the Association was incorporated under. QHGA have been working with a senior officer of the OOFT to bring our governance up to date & remove any uncertainty and/or ambiguity from our arrangements. The AGM will see a new constitution and Association name proposed as part of the arrangements to address the foregoing issues. The Qld OOFT support this approach.

2018 saw QHGA bank accounts moved to BOQ Nambour and once this year's AGM is run the governance issues will be resolved.

No distributions have yet been made during this year. A previously unrepresented cheque identified in the audit report for 2017 has been cancelled and the cheque account closed. The intended recipient (Paradice Flyers/Wicked Wings) is being confirmed and the funds will be transferred electronically to ensure this club is not disadvantaged, subject to it still being operational and affiliated with QHGA Inc.

It is intended to make a distribution to all affiliated clubs following approval from the AGM.
